RE: 2023 Pennsylvania Private Passenger Automobile Data Call

The Pennsylvania Insurance Department (Department) is conducting its annual Private Passenger Automobile Data Call (previously referred to as the “Act 6 Data Call”). The purpose of this two-part data call is to monitor the private passenger automobile insurance marketplace in Pennsylvania.

### **Part 1**

Insurance companies with Pennsylvania private passenger automobile direct written premium in 2023 are required to complete Parts 1 and 2. Data for more than one insurance company may not be combined into a single submission. This information is to be submitted to the Department **no later than October 15, 2024.**

### **Part 2**

Insurance companies with no Pennsylvania private passenger automobile direct written premium in 2023 are required to submit only Part 2. This is to be submitted to the Department **no later than October 15, 2024.**

Only Parts 1 and 2 are due this year. Insurers are expected to have timely submissions of data that has been tested for accuracy ahead of October 15, 2024.

Consistent with previous data calls, the Department will consider the data submitted as proprietary and handle the data accordingly. Please see the instructions for additional information regarding the completion of the individual parts.

The 2023 data call letter, instructions, and templates are available on the Department’s website. From [www.insurance.pa.gov](http://www.insurance.pa.gov), click on “Companies”, “Industry Activity” and “Data Calls” (under “PRODUCT AND RATE ACTIVITY”). The data call will also be announced in the Pennsylvania Bulletin.

Completed data call files should be submitted via e-mail to Dennis Sloand at [desloand@pa.gov](mailto:desloand@pa.gov).
